

We're Building More Than a Church

Photo by Kyle Evans

Did You Know?

Nearly every Episcopal Church in Haiti sponsors a school, and Holy Trinity Cathedral is no exception. So when you contribute to Rebuild Our Church in Haiti, you are raising up more than the walls of a new cathedral. You are helping to build a foundation for the future leaders of one of our own dioceses. Thanks to all of you who have already joined this national, grass-roots effort.

If you've been meaning to join in, just click [here](#). The future leaders of the Church say, "thank you."

For more information, go to www.episcopalchurch.org/haitiappeal.
