Prayer Books and Hiking Boots Series Summer 2010

Change your mid-week spiritual landscape this summer. Join us as we discover God in the Ordinary in the beauty of nature.

Enjoy a companionable two mile walk in the early evening to the Fire Island Lighthouse at Robert Moses State Park, and then celebrate Evening Prayer using the service from *Enriching Our Worship* on the beach as the sun is setting.

Be open to the wonderful sights, sounds, and smells nature has to show us at the beach as we walk together. Learn to see God in the Ordinary as we become aware of and discover new birds, animals, flowers, plants, and watch the moon rise and the sun set.
